

Low Cost Essentials Provision

Help The Homeless Leicester 1177629

Coronavirus Pandemic

Due to covid19 crisis we have had to adapt and further develop our organisation, it's projects and the way our support is delivered. Since March 2020, when the UK lock down was initiated, we have launched a deliverable food bank provision which has then naturally evolved in to the provision of other essentials – furniture etc to those who are most vulnerable in our community and need them most

“Without the essentials support from HTH my accommodation would have never been a home”

“I cannot believe how quickly I had my items delivered”
